Sir,

Adverting to Government Order No.D.5351-2/L.M.15-34-2 dated 8th/11th February 1935 authorising me to utilise the amount of Rs.1,500/- provided in the budget for 1934-35 under "Grants to Land Mortgage Primary Societ... I have the honour to forward, herewith, copy of Comptroller's Memo No.T.355, 355(a), 356, 359, 423-425 dated 8th March 1935 passing ... bills, provisionally, and requesting information on certain points raised therein, my Reply No. 7979/C.S. dated 22nd March 1935 and of his No.T.A.D.B.1630 dated 8th April 1935, and to state, that these grants are made by me out of the provision sanctioned in the budget, according to the needs of the societies. Societies newly started, require a larger grant than those that have been working for some years. No hard and fast rule can be made to fix the amount to be paid to each society in the initial stages. This depends upon how many shares are taken immediately a society is started and how many loans are sanctioned. As the contributions to be granted depend upon the resources of the societies, discretion may be given to the Registrar to sanction them without prescribing any limit. The practice is to give much less than what is applied for and not generally exceeding Rs.100/- society as will be seen from the following statement:-

7 Land Mortgage Societies at Rs.100/- each	..	Rs.700/-
1 Land Mortgage Society	..	80/-
1 Land Mortgage Society	..	75/-
Total 9 Societies	Total	Rs.855/-

As the Comptroller desires that specific orders of Government should be obtained for the distribution of the grant to the societies at my discretion, without any limitation as to the amount that may be sanctioned to each society, I request that orders of Government may be obtained in the matter very early to enable me to utilise the balance of the grant now -

now left undistributed, before the close of the Official year.

I have the honour to be,
Sir,
Your most obedient servant,

Memo No.T.903 & 904 dated 15-3-35 from the Comptroller on the Bills of grants sanctioned to the Land Mortgage Societies at Krishnaraja Nagar and Kolar.

REPLY No.7979/C.S. dated 22-3-35.

G.O.No.5351-2/L.M.15-34-2 dated 8th/11th February 1935 authorises the Registrar of Co-operative Societies to utilise the amount of Rs.1500 provided in the budget for 1934-35 for "grants to Land Mortgage Primary Societies" and under this authority grants are being sanctioned by the Registrar to such of the Land Mortgage Societies which he considers are in need of such grants. No data has been,or even can, be fixed for distributing the grant as the amount of grant to be sanctioned to each society has to be determined,with reference to its other resources for meeting its working expenses. For the same reason, no limit up to which grants can be sanctioned to each society has been fixed by Government, leaving it to the discretion of the Registrar to fix the amount,generally larger grants are asked for in the initial stages but as the provision is limited and the number of societies large, only limited grants are -

are sanctioned by him. The Bills under reference may be passed and returned early.

February 1935 mentioned in your letter sanctions only the utilisation of the budget grant.

2. The Bills on this account received so far, have however been passed for payment. Orders of Government may be kindly obtained early.
